**INDUSTRY-LEADING PLATFORM SERVICES**

Bitcoin IRA is the world's first, largest and most secure digital asset IRA company that allows clients to purchase cryptocurrencies and other digital assets for their retirement accounts. We provide the following industry-leading platform services:

**World-Class Custody**

Your retirement account is held by Digital Trust<sup>®</sup>, which is a leader in alternative digital asset custody. Proprietary integrations and maintenance with Digital Trust<sup>®</sup>, enables proper custody of your assets.

**Up To \$700 Million Custody Insurance Protection**

Digital assets under custody are insured for up to \$700 million.<sup>2</sup>

**24/7 Self-Trading Platform**

Buy and sell digital assets 24/7 in real-time with your IRA using our proprietary self-trading platform. Trade anytime, anywhere you want on our website or custom mobile app.

**Biometric Facial Recognition Protection**

This sophisticated biometric facial recognition technology protects your account from digital piracy and fraud, as well as meets the highest standards in KYC & AML compliance.

**Interest Earning Program**

You can earn up to 6% interest on your crypto and cash using our platform.<sup>3</sup> Grow your retirement account faster with monthly payouts and low minimums.

**SOC 2 Type 2 Security Certification**

BitGo's SOC 2 Type 2 certified platform provides high standards of security. Certified by a third-party auditor, it ensures that there are rigorous internal controls over financial asset reporting, privacy, security, encryption, data, and compliance.

**Military-Grade Security**

Military-grade security provided by BitGo and other industry-leading wallet solutions.

**Dedicated Customer Support**

We have a team of IRA specialists that are available during business hours to answer your questions or help you get the process started. We're here for you.
